The people below all want to come to Britain to study English. On the following page there are six descriptions of six colleges. Decide which college (letters A–F) would be

the most suitable for each person (numbers 1–5). There is an extra college.

(5 × 2 = 10 marks)

1		Marta wants a course in Business Studies and English, starting in September. She would prefer to be in a city, but wants a college which will organize visits so she can see something of Britain.
2		Jean wants to attend classes for a few hours a week in July so that he could have plenty of free time to visit the countryside. He wants to stay in a city, with a family.
3		Laura is looking for a full-time beginners' course and can come to Britain at any time. She is keen on sport and wants to stay with a family.
4		Marek likes big cities. He hopes to find work during the day, so he is looking for an evening class. He wants to live in a flat or house.
5		Birgit is going to spend August in Britain. She knows some English already and wants a full-time course. She wants to meet people through the college and live with a family.
