Reading Test

Name:.....

Class:.....

Date:.....

Read the texts. Are the statements which follow each text **True** or **False**?
For each item, shade in the bubble under the correct option.

(5 marks)

1. Before my driving test, I was confident that I would pass. But when I actually took the test, I made a mistake after a mistake! I could see from the examiner's face that he was unhappy. Imagine my surprise when he turned to me at the end, smiled and said, "Congratulations!"

Statement

True **False**

The writer passed his driving test.

2. Facial expressions are also amongst the most universal forms of body language. Researchers have found that the expressions used to tell people's emotions such as fear, anger, sadness and happiness are almost similar throughout the world.

Statement

True **False**

People's facial expressions of fear and happiness are the same around the world.

3. As a child, my daughter loved books and her ambition was to be a great writer, while my son dreamed only of becoming a famous footballer. But now he teaches chemistry at the university, and my daughter is the captain of the national basketball team!

Statement

True **False**

The writer's daughter is a writer.

4. Naresh Trehan, a famous heart surgeon, was born in 1946 in Karachi. Naresh was left handed. When he was seven years old, his teacher broke his left hand to force him to write with his right hand. So, he hated that school and moved to another school.

Statement

True **False**

Naresh's hand was broken when he was in the school.

5. My name is Saeed and I am twelve years old. There are four people in my family: my father, my mother, my sister and me. My father is a doctor. He is forty-eight. My mother is a teacher. She is thirty-nine years. My sister Mary is sixteen.

Statement

True **False**

The father is 84 years.

Reading Test

Name:.....

Class:.....

Date:.....

Read the text. Are the statements which follow each text **True** or **False**? (5 marks)
For each item, shade the bubble under the correct option.

1. I first met Ahmed in 1998, just after graduating from university. We were both waiting to be interviewed for the same job, so we started chatting. Actually, I got the job, but that didn't matter, and we soon became close friends.

True False

Statement

Ahmed and the writer were close friends in the university.

2. At Indian weddings, the groom goes to the bride's home. When he enters the house, he must take off his shoes. Sometime during the various ceremonies, the bride's sisters 'steal' these shoes. Before the groom is allowed to leave, he has to give these 'thieves' some money to get his shoes back.

True False

Statement

The bride's sisters give the groom some money.

3. Mount Manaslu in Nepal is the 8th highest mountain in the world. It was first climbed by two Japanese men in 1956. Twenty years later, a team of fifteen South Korean climbers tried to repeat their achievement, but they were all killed. Since then, no one has reached the summit.

True False

Statement

The South Korean climbers didn't reach the summit.

4. Blood Cancer Relief needs volunteers. Please help us find donors who can provide healthy bone-marrow for our patients. All you have to do is carry out a simple test. The task is simple, but will save many lives. No experience is required. Our doctors will provide all the necessary training.

True False

Statement

Volunteers must have experience.

5. By the age of fourteen, Teresa Milanello was already a well-known violinist. Her family were an important part of her success. She played a violin made by her father, who was a skilled craftsman. Later, she taught her younger sister, Maria, to play, and they often performed together.

True False

Statement

Milanello and Maria played violin.
