Writing a story

First option: 6 pictures

You have to write a story using the six picture

Step one: Use the given words for each picture

Step two: write verbs for each picture (decide, go, think, use, visit etc.)

Step 3: choose a hero for your story!

Step 4: make sue for your linking words (One day = last week = once, once upon time, last year,

Next = later = two days later = after two weeks = after that = later on = finally = at the end etc.

One day, Ahmed and Ali **decided** to do a project “about, “. Next,

Second option: Situation: You were driving at night in a very dark area. Then, your car crashed into something. You tried to see what was that. But, you saw nothing. Then, when you continued your way, you saw a dog in the mirror staring at you!

Continue the story!

Third option: a direct question: write a story about friendship

One day, I was in the classroom sitting alone. **Then**, a group of bad girls **came** to me. They **were laughing** at me and **tried** to tease me. I was very sad. I **wanted** to go back home at that time. **When** I **went** back home, I **didn't talk** to anyone. I even **didn't eat** anything. My mother **tried** to talk to me. **Then**, she **called** my best friend Sara to know what happened to me. Sara **didn't know** about what **happened**. **But**, she **decided** to ask other girls at school. **When** she **knew** about what happened, she **decided** to help me and take my rights back to me. **The next day**, I **was sitting** in the classroom alone. The same ladies came and tried to laugh at me again. **However**, Sara **was preparing** a surprise for them. She **put** some water on the floor. **When** the girls **were walking** toward me, they all fall down. Everyone was laughing at them. I **was laughing** and happy too. **At the end**, Sara **came and hugged** me. I am very happy to have a friend like Sara.

Therefore, I advise each one to search for a real friend.
