Hi Salim,

You asked me in your last letter to tell you something about our class visit to the factory in London. Well, last month our class paid a visit to a car factory. We went there by bus. It was a very big factory. It used robots. The engineers told us how cars are made. It was very interesting. This week, our school showed a part of my project. I made a car. It was very funny. I made it from old boxes and rubber. It was very noisy but I liked it very much. Some other students made lorries and planes.

I hope to do more projects in the future.

Your friend Tom

Listen and for each item, shade in the bubble next to the correct option.

Nouf's class visited the zoo yesterday. It was a big zoo with lots of animals in it. There were some beautiful tigers and old lions. Lions and tigers are dangerous animals, so when they are in zoos they live in strong cages. There were also lots of elephants, too. Nouf wanted to ride one of those elephants. The elephants were tame and kind. They ate a lot of grass. They liked children because they gave them bread and bananas. Elephants like bananas very much.

In another part of the zoo the children rode horses and donkeys and watched the monkeys. The monkeys were very funny. They climbed up ropes and jumped down again and played with each other like small children. They loved dates, bananas and bread very much.
