Technology has become a big part of our lives. We use it for work, play, and communication. One of the most common pieces of technology is the computer. Computers have a keyboard for typing and a mouse for controlling the cursor. Many people also use tablets, which are like smaller computers.

We use technology to communicate with each other. We can send emails and make phone calls. Mobile phones are very popular because we can carry them with us everywhere.

We can also use technology to listen to music. CD players are used to play CDs. Technology can help us learn. We can study online and watch educational videos.
