Read the text. Are the statements **True** or **False**?
For each item, shade in the bubble under the correct option.

Last summer holiday, Omar and his family flew on a cool trip to Qatar. They stayed there for eight days. They did lots of interesting things. First, they visited a lively market called Souq Waqif with lots of colors and yummy smells. They ate kebabs, falafels, and the delicious Qatari biryani, but Omar didn't like the kabab. The city had tall buildings mixed with old-style mosques, making it special. Sara, the eldest sister, took lots of amazing photos. The family had a wild ride on the sand dunes during a desert safari, ending the day at a camp under the stars. Exploring a fancy island called the Pearl-Qatar. Qatar's mix of new things and old traditions made their adventure super memorable! Omar really loved Qatar.
