Subject: My friend Alan

Dear Ahmed

How are you and your family? I hope you are all in a good health. I am writing this e-mail to tell you about my friend Alan. He is from England. He lives in a big town in the north of England. He is twelve years old. He lives with his family in a big house. He lives with his father, mother, two sisters and his brother. It is very cold in England so he always wears heavy clothes. He wears ice cap, heavy coat, jumper, jeans, a woolen scarf and boots. He goes to Notre Dam primary school. He goes to school at six o'clock in the morning and goes back home at five o'clock. He goes to school in his father's car. His favourite subjects are English and arts. He likes football and music, but he doesn't like handball or swimming. His favourite food is beef burger. He helps his father in washing his car and helps his mother in washing up. See you soon. Good bye and good luck.

Thanks

Ali

Expressing likes and dislikes:

I like..... , but I don't like.

I like reading and watching TV, but I don't like playing football or swimming.

Do you like reading?
 - Yes, I
 - No, I don't.

Simple Present

Expressions used:

Always -usually - often
 sometimes - never - frequently
 rarely - every...

We use the Simple Present to:

describe routines and regular/habitual actions or permanent states;

- express a present state or a truth (scientific actions or facts).

To form the affirmative form we use the infinitive without to (love)

and to form the 3rd person singular in the affirmative form we add s but:

- vowel + y - add s

- consonant + y - i and add es

- o, ss, sh, ch, x - add es

In the negative and interrogative we use the auxiliary To do, in the Simple Present (do or does):

Affirmative	Negative	Interrogative
subject + main verb	subject + auxiliary (neg) + main verb <div style="border: 1px solid black; padding: 5px; width: fit-content; margin: 10px auto;">(don't / doesn't) (infinitive)</div>	auxiliary verb + subject + main verb ? <div style="border: 1px solid black; padding: 5px; width: fit-content; margin: 10px auto;">(do / does) (infinitive)</div>
