Task 2: Read the story and answer the questions using short answers.

There is one example.

Story:

Yesterday, I went with my friend Khalid to a bookshop. We're working on a school project, so we needed some new books and stationery. I bought a new notebook. It's blue and has a cool design on the cover. I also bought a set of coloured pens. Khalid bought a new backpack. It's black and has many pockets. After that, we went to his house. I'm helping him with some tasks, and then we plan to work on our project later. We've already organised the bookshelf and cleaned the study table, but we haven't sorted the files yet.

Example:

Where did Ahmed and Khalid go yesterday?

Answer: A bookshop

1. What did Ahmed buy?

2. What is the notebook like?

3. What is Khalid's backpack like?

4. What is Ahmed doing before they work on the project?

5. What haven't they done yet?

Audio script for Listening (Task 1):

Narrator:

Hello. Look at Task 1. Listen and tick the correct answers.

Boy:

Hi! My name's Ahmed. My family and I help each other at home. My sister and I clean the house together. She cleans the kitchen twice a week, but she hasn't cleaned it today yet. My father makes breakfast every morning. He's probably making it now because I can smell toast! I also have some chores to do. Today, I've already fed the cat and taken out the trash, but I haven't watered the plants yet. I'm also looking for my favourite T-shirt. It's a blue T-shirt, and it's very soft. I'm going to ask my brother if he's seen it.
