Dear Faisal

How are you? I hope you are fine. In this e-mail I will tell you about my travel to Canada. The flight was comfortable and took about nine hours. The crews on the plane were very friendly.

In the morning we arrived in Canada. The airport was very crowded. People from different places in the world were coming to Canada either for working or spending holidays. We stayed with my uncle. He is studying there, and he is living in Ottawa. Ottawa is the capital city of Canada. It has many beautiful buildings and wonderful parks. Canadians are very helpful. They speak two languages: French and English. Every morning we walked in the national park. It is calm and has many wonderful trees.

The weather was very cold. We stayed for ten days. We went shopping in big malls. The food was very delicious. We ate different dishes from different restaurants. We ate poutine which a famous meal in Canada. It was very tasty.

I look forwards to hearing from you.

Best wishes

Ahmed
