**Ahmed said,** If you could travel back in time, what would you choose to do? I'd go to Ancient Egypt to see the pyramids when they were new. We learned about this in History last year and we wore costumes to school. I dressed as an old Egyptian pharaoh.

**Hany said,** I looked really cool! If you could go into space, what would you do and why? I'd walk on the Moon, I'd look down at Earth and see how it looks from the sky. First Neil Armstrong, then Buzz Aldrin, stepped down to have a look. They walked around, left a flag and walked into history books!

**Yasser said,** if you could travel the world one day, where would you choose to go? I'd go to the Arctic, I'd play in the ice and I'd build a house in the snow. The sea ice is melting quickly, so I want to go while I can. I want to look after some polar bears and make a huge snowman!
