Dear Fatma,

Hello. How are you? I hope you are fine. I am writing this email to tell you about myself.

I am a student in grade six. I am happy because my school is near my house. So, every morning, I go to school on foot. I study many subjects there but my favourite subject is English. I always get good marks! After school, I rest for one hour before I start doing my homework at 4.00. My young brother Ali is one year old. He enjoys playing with his toy car. During weekends, I do different activities with my family. I like to play computer games with my sister Nada. But I don't like to play volleyball. My favourite food is pizza and pasta. They are yummy dishes. I don't like fish and milk but my sister does.

That's all for now. Write to me soon.

Bye, Reem

The next day, we went to see the pyramids. They were nice and beautiful. We took some photos on camels and bought some gifts for friends. We also visited the River Nile. We went by ship.
