Subject : Home Activities

Dear Suzy ,

Hello! How are you? I am writing this e-mail to tell you about our home activities in Oman.

As you know, the weather in Oman is always hot in summer and usually cold in winter. So most people stay at home. At home, we can sit together as a family talking about different things. In my family, we usually sit in the afternoon talking and eating together. We also can watch television or cooking. All kids love playing computer or ipod or ipad games. Sometimes, we play board games or reading some books. I prefer surfing the internet to download some pictures and videos on my computer. What about you? How do you spend your time at home?

Write to me soon.

Bye ,
Yasmeen

Sara was an active and helpful girl. One day, when her mother went to see a friend, Sara decided to do the housework. In the early morning, and it was about seven o'clock, Sara cleaned the rooms and they all were tidy. After that, Sara went to the garden and she watered the beautiful flowers there. At eleven o'clock she prepared some food for lunch. When she finished cooking the food, she helped her brother in doing his homework.

Sara's mother arrived home and she was surprised. She saw the house was clean and tidy. Sara felt happy because her mother was glad. Her mother thanked her and the family decided to spend the afternoon in the park. They had their dinner there and they enjoyed the time. At night, and it was almost nine, Sara was tired and she had a deep sleep, but her mother enjoyed watching her favorite TV program.
