Dear David,

Thanks for your email. It was great to read about your visit to Turkey. You asked me to tell you about my last holiday. Well, I spent my holiday in Barcelona in Spain with my uncle who is working there. I went there last June and stayed for one month.

I had a lot of fun with my three cousins. We spent a nice time swimming in the warm sea and playing football on the beach. At weekends, my uncle took us to visit famous places in the city. We saw many beautiful old buildings and we visited the Salvador Dali museum. Also, we went to Barcelona zoo, but the most interesting place for me was the water park where I saw many dolphins.

During that month, I started learning the Spanish language. At first, it was difficult but then I could understand and speak some words when I went to restaurants and shops. I didn't do much shopping because things were expensive there. I just bought a handmade scarf for my mother and a pair of shoes for my father.

Well, that's all for now. I will send you some photos very soon. You can't imagine how many photos I took! I am looking forward to hearing from you soon.

Best wishes,

Ali
