Listening (2).

Rainforests are areas that have high rainfall. Every year, there is between 250 and 450 centimeters of rain fall in these places. There are two types of rainforests. The two kinds are tropical and temperate rainforests. Tropical rainforests have been called the world's largest pharmacy because over one quarter of natural medicines has been discovered there. We mean by a 'quarter' one out of four. The weather in the tropical rainforests is warm and wet. The temperature there can be more than 81 °C. Tropical rainforests can be found in Asian countries such as Philippines, Malaysia and Indonesia. They can also be found in African countries such as Cameroon and Congo. In South America there are famous tropical rainforests like the Amazon Rainforest. Temperate rainforests can be found in countries such as Scotland and Russia. The climate there can be much colder than tropical rainforests especially in winter.

You are going to hear a text about rainforests.

For each item, shade in the bubble next to the correct option.

Dear Salim,

Thank you for your e-mail. You're right. I think it's really a good idea to write about the famous Brazilian football player, Pele. I'd like to help you. Here, I'm going to give you some more information about him.

Pele was born on 23rd October, 1940 in Brazil. His father was a football player. He taught him about football. Pele liked this sport. At first, he started playing for a club close to his house. Then, Pele started playing in the World Cup. In 1958, he played in the World Cup for the first time. He scored six goals when he was 17 years old. He played in three of the World Cups. Pele played his last game in 1977. By that year, he had played 1,363 matches and scored 1,282 goals.

Well, I hope I have helped. Please write soon and tell me about how you spend your free time. Give my regards to your brother, Nasser.

Best wishes

David

Dear Salim,

Hello. How are you? I'm writing to tell you about my lovely trip to New York . I think it is going to be the best trip I ever had. My flight was comfortable and lovely. During the flight, I read about the amazing places in New York.

I am staying here in New York with my cousin Ahmed in a small white house. Here you can find many interesting places like Brooklyn Bridge, World Trade Centre, Time Square and Statue of Liberty. I'm really having a fantastic time here and I like walking in Central Park every day. I am having a good time here watching many beautiful carnivals in the streets. There are many interesting gift shops too. My cousin Ahmed told me that the weather here is very cool in summer but very cold with gentle winds in winter. I

am lucky because it is summer time here.

Unfortunately, I will stay in New York for two weeks only. I will write again soon.

Your friend,

Nasser
