A school uniform is a set of special clothes worn for educational schools. They are common in primary and secondary schools in different countries.

In Australia, all students have to wear school uniform. Boys uniform generally include a button-up shirt and short grey pants. In summer, boys do not wear ties because of hot weather. Girls wear skirts with a blazer and a tie.

Uniforms are a common part of the schools in China too. Almost all secondary and elementary schools require students to wear uniforms. Uniforms in China usually consist of two sets, one set is for summer and the other one is for winter.

Uniforms for winter season consist of a zip up sweater, a white shirt and trousers for boys and girls.

In Cambodia, students of all ages from pre-school to collage have to wear uniforms. Boys wear a white shirt and a pair of shorts.

In South Korea, secondary students wear uniforms, but elementary school do not have uniforms. The girls uniform consists of a shirt, a blazer and a tie with a skirt.

In my opinion, wearing school uniform is good to make students feel part of the school. It makes life easier for the parents who like school uniforms as they know exactly what their children are going to wear every day.

When the film started, Mike saw that the dog was very interested in the film. When something funny happened, the dog laughed and laughed. When a person in the film died or something bad happened, the dog cried and cried. This happened all the way through the film.

At the end of the film, Mike went to talk to the old man. "That was amazing," said Mike. "Your dog really loved the film." The old man looked at him and said, "Yes, it was amazing. He enjoyed the film. Look, how happy he is!"
