Dear Ali,

Thank you for your email. I am excited to tell you about a special celebration in my country. It is called the Kite Festival. It happens in India every January. People all over India make colourful kites. They fly them in the sky. It is a very beautiful seen.

Families and friends meet in parks and beaches. They fly kites together. There are many colours and shapes of kites. Some kites look like some animals such as birds and fish. Other kites have shapes of stars and triangles.

People also have kite flying games. They try to cut each other's kite strings in the sky. The last kite flying wins. It is very fun.

People in India celebrate the Kite Festival in the beginning of spring. They celebrate the Kite Festival because they want to enjoy the sunny weather. They spend a happy time.

I hope you like learning about the Kite Festival. Good luck with your project!

Best wishes,

Ravi
