(There are three extra words in the box.)

Pollution is a dangerous problem all over the world. When we (1) pollute the earth with rubbish or chemicals, lots of animals suffer and (2) die. If we don't stop pollution, many animals will (3) disappear forever. Another problem for the animals is that they have nowhere to (4) live. Many forests are disappearing and many animals cannot find food or a place to live. If we continue cutting down the trees, the animals won't (5) survive.
