All of us agree that internet is one of the most useful inventions which spray everywhere in our planet nowadays. It is not only to provide information. But it is used to download, keep, record, and recall what you want in a very short time. As we notice in such these ideas, we can face two different schools of opinions. Each one of them has its strong evidence which support the internet and its usage without looking at the disadvantages. Those who defend on the internet see that the world became a small village. So, we need the internet to follow the speed of everything in the world. There are sites where you can download music and films for a small charge. You can book holidays online anywhere and anytime.

On the other hand, some people see that it may damage our life and disturb our minds especially the age between 12 and 16. So it needs a kind of family and society follow at the same time.

This world wide web which called Internet changed the way to work and communicate, but we shouldn't rely on it too much.

Some people also fear like me that surfing the net has taken the place of other healthier activities, especially for young people. So, we must know how to deal with this technology wisely.

5. Internet is used for \_\_\_\_\_.
- just information       download music       Getting, downloading and more.
6. By this world wide web people can \_\_\_\_\_ their holidays.

## **Listening Script 2**

It was near bedtime for Ahmed and Amr. Their father who was a clever teacher, would always make them a nice warm cup of chocolate tea just before bedtime. It was like a weekend bedtime tradition. Ahmed and Amr looked forward for this warm cup of chocolate tea every Saturday night and of course, one of daddy's "Once Upon a Time" bedtime stories. The chocolate tea was ready, and so was Ahmed and Amr. Both looking bright eyed at their dad in anticipation of the wonderful tale to be told. Their dad looked at them, smiled and began his engaging story.

Have you ever heard about Mohammed Ali? Their father asked.

Ahmed chuckled and answered. "No Dad, I'm only 10 and Amr is only 8 and you have never told us about him.

The father started telling them about Mohammed Ali, one of the most famous boxers in the world, who faced a lot of troubles to become the world champion hero in boxing.

The kids liked Mohammed Ali's story and dreamed to be the heroes one day.

Ten years later, Ahmed became the first university student in boxing then his brother Amr followed him as he is younger two years.
