READING 2 (Items 5–10)**(6 marks)***Read the text. Then complete the task.*

Dear Rashid,

Hi. I hope you are doing fine. How was your weekend? Last week we had an interesting lesson about shark attacks. I have read many stories about the topic. I'm writing to tell you about one of the stories I have found on the internet.

In 2003, Bethany Hamilton was 13. She was Hawaii's top female surfer in her age group and one of the best in the United States before being attacked by a 14-foot tiger shark. Bethany was lying on her surfboard with her left arm hanging in the water when the shark came up from below and bit off her arm at the shoulder. Her friends were able to help, but she lost over 60 percent of her blood and needed many surgeries to recover.

However, losing her arm did not stop Hamilton from surfing, and within a month of her attack she was back on her surfboard. In 2005, Hamilton won her first national title at the National Scholastic Surfing Association National Championships. Her story later became the basis for a big budget Hollywood movie called "Soul Surfer."

Regards.

Ali
