WRITING

Write a text of at least 80 words about the following topic.

Do you think learning through games is useful?

Do you agree or not? Justify your opinion clearly. Your writing should be well-organized.

Do you think learning through games is useful?

In my opinion, learning through games is very useful for students. These are my reasons.

Firstly, games make learning fun and exciting, so students enjoy their lessons more.

Secondly, students can learn important skills like teamwork, communication, and problem-solving while playing games. In addition, games help students remember information for a long time.

Finally, learning through games reduces stress and makes students feel happy.

In conclusion, games are a great way to help students learn better.

WRITING

Write a text of at least 80 words about the following topic.

Does technology help students learn better?

Do you agree or not? Justify your opinion clearly. Your writing should be well-organized.

Does technology help students learn better?

In my opinion, technology helps students learn better in many ways. These are my reasons.

Firstly, students can find information quickly using the internet and educational websites.

Secondly, videos and online lessons help students understand difficult topics easily. In addition, technology makes learning more interesting and enjoyable.

Finally, students can learn anytime and anywhere.

In conclusion, technology is very important in education and helps students succeed in their studies.

WRITING

Write a text of at least 80 words about the following topic.

It is important to revise before the test

Do you agree or not? Justify your opinion clearly. Your writing should be well-organized.

It is important to revise before the test

In my opinion, it is important to revise before the test. These are my reasons.

Firstly, revising helps students remember information better and understand their lessons clearly. For example, when students review their notes, they feel more confident and ready.

Secondly, revising helps students find their mistakes and improve their weak points. People can also practise questions and learn new ways to solve problems.

Finally, revising reduces stress and helps students feel calm during the test.

In conclusion, revising before the test is very important because it helps students succeed and do their best.

WRITING

Write a text of at least 80 words about the following topic.

Is it important to celebrate students' achievements?

Do you agree or not? Justify your opinion clearly. Your writing should be well-organized.

Is it important to celebrate students' achievements?

In my opinion, it is very important to celebrate students' achievements. These are my reasons.

Firstly, it makes students feel happy and proud of their hard work.

Secondly, it encourages them to continue studying and doing their best. In addition, it helps build students' confidence.

Finally, it creates a positive school environment where students feel appreciated.

In conclusion, celebrating achievements is important for students' success and motivation.

Write a story

First, I was cleaning my room when I found an old box. It looked very interesting and mysterious. Next, I opened the box and found some letters, photos, and small objects inside. After that, I read the letter and learned that it was a time capsule from many years ago. Then, I showed it to my friends and family, and we talked about the past and the memories in the box. Finally, we decided to make our own time capsule and keep it for the future. It was an exciting and unforgettable experience.

WRITING

Write a text of at least 80 words about the following topic.

Is studying abroad better than studying in your own country? Do you agree or not? Justify your opinion clearly. Your writing should be well-organized.

Is studying abroad better than studying in your own country?

In my opinion, studying abroad is better than studying in your own country. These are my reasons.

Firstly, students can learn about new cultures and traditions, which helps them understand the world better.

Secondly, they improve their English language and communication skills because they use the language every day. In addition, living in another country makes students more independent and responsible.

Finally, studying abroad gives students new experiences and opportunities.

In conclusion, studying abroad is more useful and exciting for students.

My Unforgettable Prize

Last year, I won an unforgettable prize at my school prizegiving. First, I felt very nervous because I didn't know if I would win anything. Next, the headteacher started calling the winners' names, and I listened carefully. After that, I heard my name! I couldn't believe it. Then, I walked to the stage and received a trophy for my hard work in English. Finally, I felt proud and happy because all my effort was worth it. It was a special moment that I will never forget.

Write a story

First, we were sitting in the classroom and working hard on our lessons. Next, our teacher gave us our books and told us about a competition. After that, I studied very hard and did my best. Then, the teacher called my name in front of all the students. I felt nervous but excited. Finally, I went to the front and received a certificate and a trophy for first place. I felt very proud and happy. It was an unforgettable moment for me.
