What's your point of view about(of)....	In my point of view....	I agree.		
		I'm in your side.		

**The story of Prophet YUSUF (Peace Be Upon Him)**

- His father liked him very much more than his 11 brothers. Therefore, they felt jealous.
- He dreamt the sun, the moon, and 11 planets bow to him. He told his father and his father realized he would have a great future and asked him not to tell anyone about it.
- His brothers deceived their father and took him for hunting trip. They threw him in a well and told their father the wolf had eaten him, but their father didn't believe him.
- A passing caravan passed and picked him as a slave and sold him cheaply.
- A nobleman bought him and grew him up. He had problem with the nobleman's wife and was sent to prison.
- The king had a fearful dream and only Yusuf (PBUH) could explain him.
- He became the minister. His brothers came to him and he knew them although they didn't.
- He told them the truth and forgave them. They brought their father and families to Egypt. They bowed to him. He told his father that was the explanation for his old dream.

\*\*\*\*\*

people are different in their skin colours. Women always want to be more beautiful. Therefore, they use skin whitening creams, although they contain harmful chemicals. Some countries have banned hose skin whitening creams. We should accept natural body. People are not with their skin colour, but with their minds and personalities.

\*\*\*\*\*

Many people use painkillers when they have headaches without seeing a doctor. It is very dangerous as all those pain killers cause addiction. The contain paracetamol and other harmful chemicals. They can harm stomach, head, etc. Those drugs have become very powerful lately. Therefore, we should never use them without seeing a doctor.
