**READING 2 (Items 5–10)****(6 marks)**

Read the text. Then complete the task.

Christopher Columbus was born in Genoa, Italy in 1451 . His career in exploration started when he was very young. As a teenager he travelled the seas . He appealed to the kings of Portugal, France and England to finance a westward trip to the Indies, but all denied his request. After ten years of monumental efforts but fruitless , king Ferdinand and Queen Isabella of Spain agreed to finance Columbus in the hopes of acquiring great wealth .

On August 3, 1492, Columbus and three ships , the Nina , Pinta , and Santa Maria , left Palos , Spain and headed westward . After stopping in the Canary Islands off the coast of Africa , Columbus' ships hit the open seas. The trip was long and hard. The crew was afraid of sea monsters . After two months , on October 12, the land was finally sighted one of the Bahama Islands. He named the land San Salvador. He named the native people he saw " Indians " .

He died with the belief that he had found the shortcut to the Indies . Soon , however , other explorers and nations understood the importance of his discoveries . Columbus' discoveries set the stage for the Age of Exploration , one of the most fascinating times in the world history.

Christopher Columbus made one of the greatest discoveries in the history of the world \_ North America . Today , we celebrate Columbus Day in October to commemorate his discoveries.

**Listening 2:**

You will hear a text about Britain . Listen and answer the wh questions with short answers. You will hear it three times. The first time listen only. The second time, answer. The third time, check your answers.

Britain is a multicultural society. It is amazing to think that about 4.6 million people in Britain today are from other cultures. If you decide to walk down a city street in Britain, you will meet people with different hair, skin and eye color and speaking different languages.

People moving to Britain have brought their own cultures and try to keep the two cultures alive. For example, if you want to experience Caribbean culture, you can visit the Notting Hill Carnival which is now an important celebration in London.

More than three million people living in the united kingdom were born in countries where English is not the national language. Over 300 different languages are spoken by London schoolchildren.
