The Scary Dream

1

موقع المناهج العُمانية almanahj.com/om

One night I had a scary, frightening dream about my best friend Zainab and me. We were both walking along a long, winding, dusty road near our village. It was a dark night because the moon was not shining.

Suddenly, a car came racing towards us. A loud, angry noise was coming from the car's engine. It seemed to be saying to us, "I'm coming to get you!" and its bright lights blinded us. We were both terrified and covered our faces with our hands to block out the bright lights.

I was so frightened that I couldn't move and started to cry. However, my friend Zainab was braver than me and shouted, "Let's run!" She grabbed my arm and pulled me along. We both started running towards an old house as fast as we could, but it seemed to take a long time to get there.

When we got to the house, we climbed in through a broken window. We were in a big, dark, empty room with no furniture in it. On the far side of the room was a small door that was big enough for one person to crawl through. We quickly ran towards it and tried to open it, but it was hard to open. We pulled as hard as we could and finally managed to open the door.

It was difficult to see what was on the other side of the door, but Zainab went in first. I asked Zainab, "Can you see anything?" but there was no reply. "Should I walk through?" I asked myself. Suddenly the room lit up with a bright light. It was the car! Frightened, I decided to jump through the door as fast as I could, so I could get away from the car.

On the other side of the door it was still dark. Darker than the night sky, darker than a black cat. I found myself falling, faster, faster and faster. I shouted, "Help!" and woke up in bed. I was back in my bedroom. I realised that it was all a dream.

Eid Mubarak

3

This is a report about the festival of Eid Al Fitr in Oman. I will start by telling you about Eid Al Fitr and why it is important. Then I will go on to tell you what people do and eat during Eid Al Fitr. Finally, I will conclude by telling you why Eid Al Fitr is important for me.

Eid Al Fitr is one of the most important festivals in our country and celebrates the end of the fasting month of Ramadhan. The first day of Eid Al Fitr falls on the first day of the month of Shawal.

In the morning, everyone dresses in new clothes. The men go to pray while the women and children spend time with their friends or stay at home to prepare food. When the men return home, everyone sits down to eat together.

There are many special foods for Eid Al Fitr. These include harees and a sweet called halwa. Many foods are prepared several days before Eid Al Fitr.

Eid Al Fitr is also a time for children when we receive Eidya. Also, children are taken to special places like parks and funfairs to enjoy themselves. It's also a special time when family and friends can be together. That is why I enjoy Eid Al Fitr so much.
