General Notes

Table of Specifications	Exams should be designed according to the specifications provided. A balance of DOK (Depth of Knowledge) levels should be used while preparing the exams. All content should be related to the modules mentioned in the specifications. During reading exam, only questions should be read to the students.
Exam Styling	The exam templates provided, should be followed while preparing the exam. The fonts should be Comic Sans MS 16. For listening, reading, and writing exam, the pictures should be clear, black, and white outline, suitable size without any background, culture, and age appropriate. For speaking exam, the pictures should be clear, colored, suitable size without any background, culture, and age appropriate.
Speaking	Topics for the speaking test should be relevant to the content of what students have already studied in class. A speaking rubric should be used during the exam.
Oral Reading	During oral reading assessment, encourage students to read all reading tasks (words, phrases, and sentences). Teachers should NOT read the content for the student; they should only inform them of the instructions. An oral reading rubric should be used during the exam.
Listening	Listening test will be conducted in the same day with Reading/Writing exam. Clear instructions should be given for listening questions. The listening script should be related to the main resource. Listening script should be read twice clearly.
Reading & Writing	Follow the item types in the table of specifications.
