A good idea!

The teacher told us that recycling is very important. It helps

the earth. My friends and I decided to recycle everything.

Recycling helps us to save money too. We can make many things

instead of buying them. From old cans, my friend made a coin

bank ,but I made a new pencil holder;

First, I cleaned the empty can well.

Then, I used glue and sparkling gift papers to cover it well.

Next, I decorated it with pictures for my favourite cartoon characters.

Finally, I put my pens in it.

Any one sees it likes it so much, I decided to make another one for my best friend. I will give it to him as a present when he visits me next Friday.
