Reading Comprehension

Directions: Read the passage and answer the questions.

As a general rule, I try to eat healthy food. I have a good breakfast every morning, usually of muesli and fruit juice, but sometimes I have toast or a croissant with coffee. For lunch, I often have a sandwich or a salad, and I always drink water. In the evening, I usually cook something simple like pasta with vegetables or rice with chicken. I love chocolate, so I usually have some in the evening while I watch TV. Sometimes, when I'm very busy, I don't have time to cook, so I order a pizza or get some fast food. And on Fridays, I usually go out with my friends for dinner. We usually go to a restaurant and I often have a steak with fries or a burger. I also drink a lot of coffee - about four cups a day. I know it's not good for me, but I need it because I'm often tired. I think my diet is quite healthy, but I could definitely eat more fruit and vegetables. I also think I should drink less coffee and eat less chocolate.
