Last Friday, Islam and Waleed who lived in a small village in Oman, went fishing on a small boat. The weather was sunny and warm. They were very happy and excited because there were a lot of fish to catch. Suddenly, a storm blew, and their boat turned over because the wind was strong, and the waves were very high.

Islam and Waleed lost all the fish they caught. Islam was not able to swim and asked Waleed to leave him and go, but Waleed refused to let his friend drown, so he carried Islam and swam until they reached near a big island.

There was no one on the island. They were very hungry and tired. **Luckily**, there were bananas and date trees, so they stayed for two days eating bananas and dates.

On the third day, they saw a big ship and they waved to it. The people on the ship saw them and went to the island and saved them. Islam and Waleed were very happy and decided not to go sailing alone again because they were very scared.
