### A story قصه

Last Saturday, my friends and I went for a picnic in the forest near our town. The weather was sunny, and we were excited. When we arrived there, we started playing different games like football and volleyball.

When we finished playing, we were very hungry. While we were eating our sandwiches, the weather started to change. There were black clouds everywhere in the sky, and it started raining heavily. We tried to find a place to hide, but there was nothing. Suddenly, we heard a car coming. Luckily, it was my dad. he came to pick us up. We were all very happy to see him.

### A story قصه

Last weekend, it was nice, so my cousin and I decided to have a picnic by the lake. We took all our food and a camera. Then we rode our bikes to the lake and enjoyed our lunch in nature. Suddenly, it got cloudy and it started raining. My cousin fell off. He hurt his leg. I helped him sit under a tree. While we were waiting for the rain to stop, we saw some car lights. It was my uncle. We were happy to see him!
