- A. Is Sara there, please
- B. Can I leave a message?
- C. **She is not here right now.**
- D. I'll get her.

## Reading Comprehension

Read the following passage and answer the questions that follow.

(1) Exercise is very important for your health. Daily exercise helps you keep fit and healthy. It makes your body strong and active, too. People who do daily exercise are usually happier than those who don't. They also have better sleep habits and do their activities without any stress. Walking is the best type of exercise of all time because it provides good movement to body parts and it doesn't need expensive equipment.

(2) Studies show that exercise brings happiness in people's lives. For example, students feel happier in the playground than in the classroom. Students can spend wonderful time with their friends at school doing useful exercise together. It is a good chance for them to move their bodies and stay active all day.

(3) Studies also show that daily exercise is good for the mind. Exercise makes your memory stronger which helps you do better at exams and get excellent grades at school. It keeps your mind smart, sharp and focussed. In addition, exercise teaches you great values like respecting oneself and others around you. In my opinion, exercise can be a simple way to turn a good experience into a great one and share it with others.

1-What is paragraph 3 MAINLY about?

- A. the best type of exercise
- B. the importance of happiness
- C. the benefit of exercise to your mind
- D. the benefit of exercise to your heart

2- What does underlined word "smart" in paragraph 3 mean?

- A. lazy
- B. clever
- C. simple
- D. strong

**3- According to paragraph 1, why is walking the best type of exercise of all time?**

because it provides good movement to body parts and it doesn't need expensive equipment.

**4- According to paragraph 1, how are people who do daily exercise different from those who don't exercise?**

People who do daily exercise are usually happier than those who don't.

**5- According to paragraph 2, where do students feel happier?**

students feel happier in the playground than in the classroom.

**6- What is the writer's opinion about sport?**

exercise can be a simple way to turn a good experience into a great one and share it with others.
