## A post about an event اكتب منشور (بوست) عن حدث

Hi, I'm Hassan. I'm a 15-year-old student and I like sports and photography.

Hi everyone, I enjoy taking photos of people. last week I went to a cultural festival with my cousin. It's art and craft festival and it attracts thousands of people. So, I was sure I could take lots of pictures. I took a lot of pictures of people who were selling, buying. I also took an amazing photo of children doing other activities, like flying kites and playing games. The problem was the festival was too crowded, so I found difficulty to take some photos. the experience was very exciting. I've uploaded the photos and they are great. You can see them here. Please feel free to say what you think of my work.

The person I admire most is my grandfather. He was pearl diver **صائد اللؤلؤ** in our small village. He learnt all about pearl diving from his grandfather. My grandfather was kind and quiet, but he was cheerful. My grandfather was also a brave man. Pearl diving was a dangerous that time because divers didn't have the modern equipment **معدات** that they have today. I learnt a lot about pearl diving from my grandfather. Today, I am considered one of the best pearl divers. I will always admire my grandfather. I hope to teach my children everything I learnt from him.

You might meet a lot of people in your life but there is only one person who has a positive effect in your life. My brother Ahmad who is always there for me when I need him. Ahmed is the youngest one at home. He is a student in grade 9. He is kind, and helpful. I can't imagine my life without him. Although he is still young, I have learnt a lot of things from him. The most personal trait **ميزة** he has is self-confidence and kindness which make the strangers love him too. That's why I'm affected by him and that makes him very special to me.

Hi Salem,

It was nice to hear from you. What a surprise to learn that you've taken up karate as a hobby. Anyway, I've got some good news to tell you. Do you remember that I had told you I wanted to join the poetry reading group in my area? everyone who wants to join must write a poem and read it to the group. The group then decides if the person can become a member. yesterday I presented my poem. I was very nervous when I finished reading it, everyone stood up and clapped. I am now a member of the poetry group and I'm so excited. At the end I want to hear from you and write me back to tell me about your plans.

Bye for now,

Hassan

Souq Waqif is one of my favourite places in Doha. It is a well-known place in Qatar, and it offers many things to see and do.

Souq Waqif looks like a traditional Souq. In the Souq Waqif you can find shops selling almost everything, from traditional clothes and bags to jewellery and sweets. Of course, you can't leave Souq Waqif without buying some items from the shops you can find there. And when you get tired, you can have lunch at one of its many restaurants. I think Souq Waqif is worth visiting.

I live in Doha; Doha is the capital of Qatar. It's one of beautiful cities in the world. Doha has got a lot of amazing sights to visit. Souq waqf, for example is one of the most famous places in Doha. Many tourists visit Doha to see it and take photos. We also have Qatar mall; I enjoy go shopping in Qatar mall. If you want to relax, have a picnic, or even do sports we have Aspire zone. Doha is an amazing place to live.
