

Comprehension:

Read the following passage then answer the questions correctly:

1))
An antelope was drinking from a lake. He saw himself in the water and he felt very proud. He said to himself " No other animal has such splendid antlers , but my feet are rather small. What a pity that my feet are not as lovely as my head". Suddenly, he heard men shouting and dogs barking . Hunters were coming after him with their guns . The antelope began to run. He ran very fast and soon escaped from his enemies. Not long after the antelope was drinking from another lake. This lake had thick trees along its banks. As he finished drinking , he lifted his head. His antlers caught in the branches of a tree. At that moment he heard the sound of the hunters . They were following him again . Before he could pull himself free of the branches, the dogs came running.They attacked the antelope and dragged him to the ground .The men came behind the dogs with their guns. " what a stupid creature I'm" thought the dying antelope. "The feet of which I was ashamed , saved my life , the antlers of which I was proud have caused my death."

Answer the following questions:

- 1- What did the hunters want to do with the antelope?

- 2- Where did the antelope go after he escaped from his enemies?

3))

Many animals in the world today are in danger. For many of them, the biggest danger is humans . People always kill animals for their meat or their skin .Others are killed because they eat crops or animals which belongs to farmers .Certain animals such as tigers and elephants , used to live in great numbers in countries like India. People have hunted them so much that there aren't many left alive . However , there are now laws to stop this .

In South America , many different birds and animals have lost their natural homes in the forests because thousands of trees have been cut down or burnt . People then use the land for farming or for building roads and towns . We are too late to save some animals . A few are now extinct. There are none left anywhere in the world. Others are only alive in the zoos or special parks . Zoos are important because they can help some animals to live . It is also possible to care for animals and learn more about them in zoos.

Questions :

1- Why do people kill animals ?

2- What happened to the birds and animals in South America ?

3- Why are there fewer tigers and elephants left than before ?

Choose the right completion:

- animals are in danger because of -----

- 1-forests 2- zoos 3- man

- Birds and animals cannot find place to live in because ----- hunt them
