## I. Reading Comprehension (1 mark each)

Read the following text, and then answer the questions below:

A man had driven to the local grocery store, parked his car, and gone into the store to do some shopping. When he came out of the store, carrying his bags, he saw that his car was missing from the parking lot. He called the police and reported that his car had been stolen. He told the police that he had left his cell phone in the car. The police thought hard about how to use the cell phone to find the stolen car. Finally, one of the police officers had a brilliant idea .

A police officer called the man's cell phone, and the thief answered the phone.

The officer explained that he had seen an advertisement in the newspaper about the car for sale and that he was interested in buying the car. The officer asked a few information questions about the car and arranged a meeting for him to take a look at the car later that day .

A few hours later, the thief drove the car to the meeting place, expecting to be paid for the car that he had just stolen. He was arrested on the spot and the car was returned to its owner. What a silly criminal!
