## Mega Goal 2.1

# Free Composition

Write a paragraph about the advantages and disadvantages of "Internet"

## Internet

The Internet makes life easier and enjoyable. Internet can help us do a lot of things such as paying bills, sending and receiving messages, learning new skills ,online shopping , joining online fitness classes , engaging in multiplayer games and much more . However, the Internet is sometimes harmful for people who spend too much times playing games online or watching bad programs. Also, it costs much money.

## Favorite tv Show Free Composition

Write short paragraph about My Favorite TV Show using the notes in the diagram :

## My Favorite TV Show

One of my favorite TV shows is "Friends" . I absolutely love this show because it combines humor, relatable characters, and heartwarming moments. The story revolves around a group of six friends living in New York City, navigating through their personal and professional lives. It never fails to entertain me with its timeless comedy while also reminding me of the value of friendship.

## II- Comprehension

❖ Read the following passage carefully the answer the questions below:

One day, I was standing outside an underground station in London because I was waiting for a friend, when I saw two men. One was sitting on the pavement. His clothes were old and dirty. He had a hat in front of him. As people passed by, he said, “ Can you give me some change, please ? “ a few people put some coins into the hat but most people ignored him.

The other man was wearing a suit and holding a plastic petrol can. He stopped people and told them his car had run out of petrol and he had forgotten his wallet. He asked them to lend him some money for petrol. Most people happily gave him money. Some gave him coins, but most gave him notes. I watched him for ten minutes. In that time, he collected a lot of money. He put **it** in his pocket, but he did not go to the petrol station. It became clear to me that both men were beggars. The one in the dirty clothes needed money more than one in the suit, but the one in the suit was much more successful. Isn't that strange?

Water is the most priceless gift of nature. It has no taste, no smell and no color. It is found everywhere and the other name of it is life, because it is the basis of fluid element of living creatures. Water is life and the lack of it means death. Any living thing cannot go on living without it. Plants need water to grow. Animals need water to drink. People need water to drink and to use in cleaning, cooking and for other uses. We can get water from rivers and lakes. But the main source of water is the rain.

If water is wasted, we lose a priceless resource. Water is a natural resource for the use of all life forms. We also need water for our gardens and public parks. Water is also needed for the forests to stay alive. If human pollute water and waste it, the environment is harmed and all life forms are threatened.

Finally, we should say that water is one of the most important substances on earth. All plants and animals must have water to survive. If there was no water, there would be no life on earth. Thanks to God, the Merciful, who has created water for us, we don't need to pay for it as it is neither sold nor bought.
