My name is Sarah Brown. I'm from a big family. I have three brothers and two sisters. My mother is from a big family too. She has four brothers and three sisters. My father is from a small family. He doesn't have any brothers and sisters. He's an only child. All of my mother's brothers and sisters are married. So I have seven uncles, and seven aunts. And I have twenty-one cousins. This is great. We have big family dinners, and we have lots of fun.
