Famous Neighborhoods

▲

My name is Francisco, and I live in Coyoacan. Coyoacan is a historic neighborhood of Mexico City. It has a busy cultural life. There are theaters, art galleries, and museums. Coyoacan has beautiful squares and houses. The house of the famous Mexican painter Frida Kahlo is here. It's called the Blue House. It's now a museum. There is also the Plaza Shopping Center, an Olympic pool, a gym, and a beautiful park. There are many restaurants and eating places with foods from all over the world. You can have great Mexican food, too.

▲

My name is John. I'm from Brooklyn, New York. Brooklyn is a great place to live. There are so many different cultures and traditions here. Everything is near. Manhattan is only ten minutes away by subway. And there is the famous Brooklyn Bridge. Prospect Park has playgrounds, two lakes, and an ice-skating rink. We have a museum and a botanical garden. We also have restaurants with foods from all over the world—and the best pizzerias anywhere! I love it here.

Teaching Tip

Choral reading builds confidence and fluency in speaking. Students feel secure reading with a group and they don't have to worry about what to say next.

Additional Activity

Use the map on pages 56 and 57 to practice giving directions. One student gives directions, and the others follow on the map. Then the student asks: ***Where are you?*** The students answer to check if they followed the directions correctly.

Project: Design a Neighborhood

Have students design a neighborhood where they would like to live. In groups, students brainstorm what they want in the neighborhood. Then they draw a detailed map, naming the streets and showing the location of buildings.
