I- Composition

❖ Use the following word bank to write about " _____ " not less than 40 words:

[Empty rectangular box for writing]

[Large rectangular box with horizontal dotted lines for writing]

II- Comprehension

❖ **Read the following passage carefully the answer the questions below:**

Your Goal

Your goal is something that you want to do. First you should decide what that goal is. Do you want to pass an exam? Do you want to be a doctor? Do you want to be wealthy? Think about what you want and decide on your goal. You should write your goal on a piece of paper. Put your goal poster on your wall and look at it every day. Then decide what you have to do to achieve your goal.

Some people never reach their goal because they think it is impossible. You should think positively. Don't think "the exam is difficult and I will probably fail it, "instead you should think "The exam is difficult, but I have worked hard and will pass it ". People who think negatively hardly reach their goals, so be positive!

We are most successful at things we enjoy. So, you should try to enjoy your school. Look at your goal poster. Think how happy you will be when you have reached your goal. Think about that happiness while you are studying and you will enjoy are you doing.
