Study Arabic in Saudi Arabia

Saudi Arabia is the perfect destination if you want to learn the Arabic language and Islamic culture. Saudi Arabia is unique, with lots of traditions, historic places, and contrasts in scenery.

Why learn Arabic in Saudi Arabia?

Because there is so much to see and visit, you can be sure you'll never run out of things to do before and after your Arabic classes.

Why learn Arabic?

Arabic is the language of the Holy Qur'an. It is spoken by more than 340 million people around the world, mainly in the Middle East and North Africa. Like English, there are many different dialects in Arabic, but the majority of speakers in Saudi Arabia, the U.A.E., Oman, Kuwait, Yemen, Bahrain, and Egypt all understand each other. Arabic is commonly spoken in many other places, even where it is not the first language; for example, in the United States and increasingly in European countries.

Why register at the Arabic Language School?

Learning the language

At our school, you will study the language and the culture of Islam! You will recite the Holy Qur'an, practice conversation, listen, and learn to read and write Arabic. Soon you will be comfortable speaking and using words and expressions the local people use.

Accommodations

You will live with a family. You will share their delicious food, their experiences, and learn all about everyday life in Saudi Arabia. The family members and local people will be pleased to help you with the language and help you experience the culture.

Why Abha?

Abha is the capital of the Asir province. It is located in the Asir Mountains, 2,200 meters (7,218 feet)

above sea level. Its mild climate makes it a popular tourist destination, with average temperatures between 12° C (54° F) and 24° C (75° F). With a population of over 250,000, Abha is neither big nor small. The town is known for its traditional stone and mud-brick houses, but it also has modern hospitals and universities.

Abha has a rich heritage and a buzzing marketplace with regional foods and crafts. It attracts a great number of visitors, especially in summer, who come to relax and to take part in the lively atmosphere at the local summer festivals. Some even enjoy paragliding!

GUIDE TO NIAGARA FALLS

Things to Do

There is a lot for the whole family to do in Niagara Falls. A helicopter ride provides a wonderful view of both the American falls and the Canadian falls. During the ride, you can take great pictures to show your friends back home. A favorite with all the tourists is the Journey Behind the Falls. You'll put on a raincoat, take an elevator, and get out at the bottom of the falls. From there, you'll see, hear, and feel the excitement as the water crashes down from the height of a twenty-story building. It's an unforgettable experience!

Places to Stay

The Broadview Hotel

Many visitors want to stay at the Broadview. The rooms are small, but the views of the falls are wonderful. The hotel restaurant is good, but very fancy. You'll have to wear your best clothes. The Broadview is expensive, but its guests receive very special treatment. And for your information, the hotel doesn't have a pool, but it has excellent workout facilities for people who like to exercise.

Martin's Motel

Martin's Motel is a really friendly place. When you check in, Martin shows you to your room. The rooms aren't fancy, but they're large and they have cable TV. There is an outdoor swimming pool and a game room especially for children. It's just a 15-minute walk to the falls. And if you're hungry, you can eat at the diner next door. The food is good and cheap, and the diner is open 24 hours a day. You won't have to dress up to eat there. Families that stay at Martin's always have a good time.

G READING

Write ***T*** for ***True*** or ***F*** for ***False***.

1. T Visitors wear raincoats to go behind the falls.
2. F You can't take pictures on the helicopter ride.
3. F The Broadview Hotel has a pool.
4. T The Broadview Hotel has wonderful views of the falls.
5. T Martin's Motel is close to the falls.
6. F You have to wear a suit or dress to eat at the diner next to Martin's Motel.

H Answer these questions about the reading.

1. You can stay at the Broadview Hotel or Martin's Motel. Where will you probably stay? Why?

I will probably stay at the Broadview Hotel.
I want to see the falls from my room.

2. You can take the helicopter ride or the Journey Behind the Falls trip. Which will you probably take? Why?

I will probably take the helicopter ride.
I want to get some good photos of the falls.

Teaching Tip

Think about your favorite teachers from when you were in school. Most likely they were enthusiastic about what they taught. Your students will recognize your motivation and enthusiasm, and this will make your classroom more productive and stimulating for all.

Additional Activity

Tell students to close their books and dictate the first paragraph of the reading to them. First, read the text slowly and tell them to write what they hear. Then read the paragraph at a normal pace for students to check their work. Then tell them to open their books and compare what they wrote against the original.

Project

In groups, have students research English-language exchange programs in different countries. They should find out about the length of programs, cost, living arrangements, etc. Assign each group a different country, for example, the U.S., Canada, Australia, New Zealand, Ireland, and the U.K.
